MEMORANDUM FOR: Special Support Assistant to the  
Deputy Director (Support)

SUBJECT: Shipment of HHEs from Washington, D. C.  
(Storage Point) to Washington State  
(Relocation Address) for Evacuated De-  
pendents of Employee [ ]

25X1

25X9 1. By memorandum of 14 March and in subsequent conver-  
sations, you have requested our advice as to the legality of an admin-  
istrative determination by the DD/S that it would be in the best interests  
of the Agency to ship 4,100 pounds of Mr. [ ] HHEs from storage 25X1  
in Washington, D. C., to [ ] for the use of his depend- 25X1  
ents, who are being evacuated from [ ] It is the intention that  
upon such a determination by the DD/S shipment thereupon would be  
authorized under the authority of HR 22 and Deptel 1274, 20 February  
1964. It is anticipated also that cases, other than Mr. [ ] will 25X1  
arise. This memorandum is in response to that request and also  
modifies and amplifies somewhat our memorandum of 11 March 1964,  
subject: "Shipment of HHEs from Washington to Home-Leave Point for  
Returning Dependents of Employee in [ ] 25X1

2. HR 22-16 authorizes the shipment and storage of HHEs in  
connection with authorized travel to or from posts abroad "including  
travel for emergency evacuation." HR 22-2a(5) in turn authorizes travel  
"and related shipment and storage" of HHEs upon a determination by the  
DD/P that there is "imminent danger to life or property due to the  
prevalence of disturbed conditions...from post of duty to any point  
specified in the travel order" and, "upon cessation of these conditions,"  
and from that point to the employee's post of duty at that time. HR 22-16e(4)  
provides the employee with several alternatives for the shipment of effects.

He may elect to ship "to or from a point not specified in the travel order, provided the actual origin or the actual destination is that authorized." We believe Agency concurrence in Deptel 1274, signed by Mr. [ ] may be considered a DD/P determination under HR 22-2a(5) with respect to [ ] We believe the issuance of orders for Mr. [ ] dependents and for the dependents of other employees so situated, in keeping with the above quotations from HR 22, therefore would be proper and would authorize the desired shipment.
